Headquartered in Aurora, Colorado, Amazing Care provides home health services for pediatric and adult patients. The Company's offerings include private duty nursing, skilled nursing, therapy, CNA and other related services. “We are extremely pleased with the growth and outcome of Amazing Care Home Health Services. Working closely with the management team, 3 Rivers Capital supported the growth of the company through investments in senior management, field staff, IT implementations, and strategic add-on acquisitions while staying focused on quality of patient care,” said Rob Carskadden, Managing Partner of 3 Rivers Capital.

“Amazing Care’s commitment to quality of care for families and patients has always been a defining factor of our success. Our strong culture is supported by the caregivers and staff who make our high quality of care a possibility. Since partnering with 3 Rivers Capital, we have been able to maintain this commitment to quality and care while expanding into 2 new states and 6 more offices. We are extremely pleased to have worked with 3 Rivers Capital in taking Amazing Care to the next level, and we look forward to keeping the same commitment to quality and care while we grow with Bow River Capital,” said Lowry.
