[3 Rivers Capital, LLC](#) (“3RC”) is pleased to announce that its portfolio company, [Amazing Care Home Health Services, Inc.](#) (“Amazing Care”), a leading provider of Private Duty Nursing (“PDN”) and Pediatric services in the home health care space, has acquired [Haaksma Speech Pathology, LLC](#) (“HSP”). Headquartered in Denver, Colorado, HSP is a full-service pediatric home healthcare provider offering speech pathology, physical therapy, and occupational therapy for children. Established in 2009, HSP focuses entirely on the specialized and compassionate needs of the pediatric population.

HSP is Amazing Care’s third acquisition and supports the company’s growth strategy of expanding care and service offerings to its pediatric patients. Along with the recent acquisition of [Lakeway Home Health](#) in Temple, Texas, and [Ivy Lane](#) in Ogden, Utah, the addition of HSP positions Amazing Care as one of the largest pediatric home healthcare providers in the U.S. The HSP acquisition is a great add-on opportunity for Amazing Care, given its focus on pediatric therapy, patient-driven culture, strong management team, and attractive synergies with Amazing Care’s existing business in the Colorado market.

The newly merged company will be led by Arthur Lowry, founder and CEO of Amazing Care. The veteran management teams at Amazing Care and HSP, with over 50 years of collective experience, will support the growth and profitability of the combined company. Providing compassionate care and quality service to pediatric clients and their families will continue to be the primary focus of every individual within the combined organization.

“Amazing Care is excited to add HSP Pediatrics to our Portfolio of patient-focused companies. We believe, by combining the two companies’ families our patients will have the ability to receive all their services from a company who will put them first. Together our mission will be “Letting Compassion and Quality of Service Lead the Way,” said Arthur Lowry, CEO of Amazing Care.
