

3 Rivers Capital Portfolio Company Magnum Systems Acquires ECS Solutions, Inc.

Acquisition Reflects Magnum Systems' Active Expansion Plans Further Solidifying The Company's Ranking As An Industry-Leading Systems Integrator and Manufacturer of Customized Bulk Material Handling Solutions

Press Release

PITTSBURGH, PA/LENEXA, KS/EVANSVILLE, IN (August 19, 2025) – 3 Rivers Capital (<https://3riverscap.com/>) portfolio company Magnum Systems (<https://magnumsystems.com>), a leading systems integrator and a manufacturer of bulk material handling and packaging solutions, has acquired ECS Solutions, Inc. (<https://ECSSolutions.com>), an Evansville, Indiana-based CSIA Certified control system integrator dedicated to performance improvement and innovation in batch manufacturing.

Headquartered in Lenexa, Kansas, Magnum Systems has established itself as an industry- leading designer and manufacturer of material-handling and packaging systems for dry bulk materials. ECS is recognized for its batch and process control automation, control systems integration, and manufacturing execution systems. The company's combined innovative material handling solutions employ cutting-edge robotics and electronics technologies to deliver the highest levels of automated throughput.

"Our acquisition of ECS Solutions marks the launch of Magnum Systems' investment strategy aimed at building upon our ability to provide customers with the most comprehensive material handling solutions available. Through the addition of ECS, Magnum offers over 110 years of industry expertise to provide tailored, turnkey, start-to-finish solutions for our valued customers, significantly increasing their operational efficiency, precision and scalability today and into the future" said Magnum CEO Don Day.
